SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Susan Sokul
CommenterCity	Concord
DateReceived	10-04-2017

### CommenterWords

I strongly oppose the Northern Pass. In Concord, the Northern Pass potentially has more direct impact on more people in any other location in the state due to our population. I am very concerned and demand that if this does go through, the lines need to be buried in order to minimize impact.
